

**THE 1867 SANCTUARY**  
**Arts and Culture Center**

*wishes you and your family a very happy holiday season and a peaceful and healthy 2018!*

The 1867 Sanctuary Committee of Preservation New Jersey thanks all of its members, donors, patrons and performers for their continued support and encouragement during 2017. The ability to have the 1867 Sanctuary open to the public for use as a concert and performance venue, as well as for weddings, funerals and other public and private use, is directly linked to the support of the community we serve. Unfortunately, ticket sales alone are insufficient to sustain this historic landmark. Without continued donations we will be unable to maintain our operating costs, conduct ongoing restoration and provide a place that is clean, comfortable and acoustically magnificent. As the year ends, please make sure your annual membership is up-to-date and consider making a year-end donation. One option is a gift of \$150 in recognition of the 150<sup>th</sup> Anniversary of the building. Your gifts in any amount will help ensure the 1867 Sanctuary is available and flourishing during 2018. Thank you again for your past support.
